

You're only 5 steps away from inflation beating rates

i Before you begin make sure you have:

- ▶ Your bank details
- ▶ Access to your online banking

Be prepared to make a note of the unique bank details that you will make your payment to.

1

Select the CashHub account that's right for you

- ▶ Click on 'Learn more' in the CashHub promo
- ▶ Scroll to the bottom of the page and click 'Apply now'
- ▶ Select the type of account you want - Easy access, Notice period or Fixed term
- ▶ Select the term, if required
- ▶ Review options and choose the account you want
- ▶ Enter investment amount

! For your first CashHub investment you'll need to make a £1,000 minimum investment.

- ▶ Click 'Continue application'
- ▶ Use the drop-down to say where the money has come from
- ▶ Use drop-down to give us your annual income before tax
- ▶ Click 'Next' and then click 'Next' again

2

Give us your bank details

! This is the account where your CashHub investment will come from and where you'll receive CashHub withdrawals.

- ▶ Click 'Add bank account'
- ▶ Enter your bank details
- ▶ Click 'Next' and then click 'OK'
- ▶ Select the bank account you've just added and then click 'Next'

3

Review application details before submitting

- ▶ Review details and then click 'Next'
- ▶ Confirm you've read and understood everything
- ▶ Click 'Submit application'

4

Make a note of Bondsmith's bank details

Make a note of, or take a screenshot of the bottom of the next screen - immediately below the summary of your bank details.

! Make sure you include the Bondsmith bank account details and your unique 'Reference'. You'll need these for Step 5.

5

Login to your online banking and make your CashHub payment

Log in to your online banking and use the details from the screenshot you've just taken to deposit your CashHub savings.

All done, welcome to CashHub!
