Dear (Salutation)

## Jupiter UK Opportunities – fund closure

**Account number:** \*\*\*\*\*

**Your financial adviser:** \*\*\*\*\*

The Jupiter UK Opportunities fund that you invest in as part of a model portfolio set up by your financial adviser is due to be closed from **20 September 2024**.

We have been unable to accept new investments into the fund since 19 August 2024.

**Your financial adviser will take any action that needs to be taken and, if necessary, help to address any questions you may have.**

### How the fund closing will affect your account

- **Phasing and Rebalancing** – Any **phased investment** or **rebalancing** instructions using the fund will automatically continue. These will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.
- **Direct Debits** – If you were paying into the fund by Direct Debit payments will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.

**Cash may not be suitable for your longer-term investment needs and could be used to pay your financial adviser's fees and/or our charges leaving less to invest. We recommend you speak to your financial adviser about your investments before making any investment decisions.**

### Capital gains tax – Collective Investment Account only

If you choose to sell or switch your holdings, this is a disposal for capital gains tax purposes. Please speak to your financial adviser to understand how this may affect you.

### The cost of the closure

The sale of the underlying assets associated with the closure will be borne by the fund. Jupiter estimate that these costs will be approximately 0.04% of the total value of the fund.

### Why the fund manager is closing the fund

The fund has reduced in size since July 2020 and Jupiter expects this to continue. They have advised that the fund is no longer considered commercially viable and believe it is in the best interests of policyholders to close the fund.

If you have any questions about this letter, please speak to your financial adviser who will be able to help you. Alternatively, you can call or email us using the details shown and we will be happy to help. Our Customer Service Centre is open 8:30am – 5:30pm, Monday to Friday.
