## Fund merger for 7IM Personal Injury

**Account number:** <<Account\_Number>>

**Your financial adviser:** <<BRKName>>

The 7IM Personal Injury fund that you invest in as part of a model portfolio set up by your financial adviser is due to merge into the 7IM AAP Cautious fund. The merger will take place on 22 March 2024. You'll see the new fund on your valuations and statements after that date.

The merger is subject to shareholder approval. If it isn't approved, we will write to let you know.

**Your financial adviser will take any action that needs to be taken and, if necessary, help to address any questions you may have.**

### How the merger will affect your account

- **The value of your fund holding** – The merger will not affect the value of your fund holding.
- **Phasing and Rebalancing** – Any **phased investment** or **rebalancing** instructions using the fund will automatically continue. These will either buy units in your other assets proportionally, or go into cash, depending on how your adviser set up the model portfolio. Alternatively, we will update the instruction if your financial adviser provides a revised asset choice.

Cash may not be suitable for your long-term investment needs. If you're happy for the amount to stay in cash, you don't need to do anything. Your financial adviser will take any action that needs to be taken and help to answer any questions you may have.

- The merger **won't change the fund's risk profile**. You can see more information about the new fund in its Key Investor Information document, available online at [. Please note, it may not reflect the charges applicable when accessing the fund through us.](#)

### Why the funds are merging

7IM no longer considers that a fund with a Personal Injury brand should be retained in the 7IM fund range given there is no longer a specific demand for this type of product.

In addition, the merging fund is the last remaining sub-fund in 7IM Specialist Investment Funds (the "Company"), an

umbrella company, and therefore merging the fund into the receiving fund which sits in a larger umbrella company would allow 7IM to rationalise its range and save costs.

You can find more information about the old and new funds below.
