Dear (Salutation)

Name change for the Barclays Wealth Global Markets funds

Account number:

Your financial adviser:

I am writing to you because you are invested in one or more of the below Barclays Wealth Global Markets funds, provided by Barclays Asset Management Limited.

Barclays will change the name of the funds from 07 November 2024.

You'll see the new fund name on our valuations and statements after this date.

Old fund names	New fund names
Barclays Wealth Global Markets 1	Barclays Wealth Global Markets Defensive
Barclays Wealth Global Markets 2	Barclays Wealth Global Markets Cautious
Barclays Wealth Global Markets 3	Barclays Wealth Global Markets Balanced
Barclays Wealth Global Markets 4	Barclays Wealth Global Markets Growth
Barclays Wealth Global Markets 5	Barclays Wealth Global Markets Adventurous

The fund objective, risk profile and Ongoing Charges Figure (OCF) / Total Expense Ratio (TER) will not change.

The OCF/TER represents the ongoing charges for the fund, expressed as a percentage. It is the sum of the Annual Management Charge (AMC) and all other running costs of the fund. OCF is increasingly replacing TER.

Why the changes are happening

Barclays are making these changes to more accurately reflect each fund's investment policy and risk profile. They believe the new names are more descriptive and therefore more clearly and immediately identify the range of risk profiles compared to the current naming convention for this range, which is to number the funds 1 to 5.
