Dear (Salutation)

Investment Manager change

Account number: ******** Your financial adviser: ********

I am writing to you because you are invested in the Vermeer Global fund provided by Vermeer Investment Management Limited.

The Investment Manager of the fund changed from Vermeer Investment Management Limited to North Atlantic Investment Services (NAIS) on 23 September 2024.

The name of the fund, fund objective, risk profile and Ongoing Charges Figure (OCF) / Total Expense Ratio (TER) has not changed.

The OCF/TER represents the ongoing charges for the fund, expressed as a percentage. It is the sum of the Annual Management Charge (AMC) and all other running costs of the fund. OCF is increasingly replacing the TER.

Why the change has happened

The rationale for the replacement of Vermeer with NAIS is due to the recent acquisition of Vermeer by the Harwood Group which also owns NAIS. The existing Vermeer team that manages the fund will transition to NAIS as part of the acquisition and, alongside the personnel in NAIS, will continue to be responsible for the investment management of the fund.
